

The image shows a technical architectural drawing of a building's front facade. It features two concentric outlines: an outer red line and an inner green line. The red outline has a peaked roof with a central vertical slit, while the green outline has a similar but slightly lower and wider roof. The central area between the outlines is a light gray. The word 'FRENTE' is written in a bold, purple, sans-serif font in the center of the drawing.

**FRENTE**

**COSTA**

The background features a large, stylized graphic composed of two concentric, irregular shapes. The outer shape is defined by a thin red line, and the inner shape is defined by a thin green line. Both shapes have a complex, organic form with several points and curves, resembling a stylized letter 'M' or a shield-like emblem. The text is centered within the white space between these two shapes.
