

FRENTE

**COSTA**

The logo consists of two concentric, irregular shapes. The outer shape is defined by a red line, and the inner shape is defined by a green line. Both shapes have a similar, somewhat elongated and pointed appearance, with the top and bottom points being more pronounced than the left and right ones. The text "MANGA DIREITA" is centered within the white space between these two outlines.

The image features a repeating geometric pattern of interlocking shapes. Each shape is a square with its corners rounded inward, creating a star-like or 'M' shape. The pattern is composed of two main colors: a light gray and a light green. The gray shapes are outlined in green, and the green shapes are outlined in red. The text 'MANGA ESQUERDA' is centered within one of the gray shapes.
