**MANGA
DIREITA**

**MANGA
ESQUERDA**

The image shows a technical drawing of a left sleeve pattern. It consists of two nested outlines: an outer red line and an inner green line. Both outlines have a curved top edge and a straight bottom edge. The text 'MANGA ESQUERDA' is centered between the two outlines in a bold, purple, sans-serif font. There are small tick marks on the red line at the top-left and bottom-left corners, and on the green line at the top-right and bottom-right corners, likely indicating seam allowances or specific construction points.
