

The image features the word "LAYOUT" in a bold, purple, sans-serif font, centered within a white rectangular area. This central area is surrounded by three concentric, irregular outlines in blue, red, and green, creating a layered effect. The outlines are roughly rectangular with rounded corners and some internal indentations, giving them a hand-drawn or organic feel. The blue outline is the outermost, followed by the red, and then the green one closest to the text.
